

To Whom It May Concern,

**Midwest Dog Fanciers' policy regarding payment and \*refunds is as follows:**

No refunds for entries or other event related activities including but not limited to regular classes, altered classes, non-regular classes or junior showmanship as well as practice classes and activities. Once the entry is placed and payment is confirmed there are no refunds including Paypal, checks, cash or any other methods of payment.

Any payment that is revoked through cancellation of a check, credit card or other means will result in the person who owes the amount being placed in a "not good standing" category and not allowed to participate in other events or activities with MWDF.

As always, this is at MWDF board's and/or Show Chairman/Secretaries discretion and if extenuating circumstances occur; any changes will be decided upon each occurrence with no precedence for future refunds.

Respectfully,

**X** *Nickie Hertzog*
