

Due to recent concerns about a rapidly spreading respiratory disease, Midwest Dog Fanciers has implemented a policy for their shows for the safety of the dogs in attendance and a waiver for the exhibitors:

1. Dogs that are coughing or reported to be coughing are not allowed onsite; they are requested to be taken offsite immediately and not allowed to show.
2. Dogs that have been recently exposed to others coughing and/or dogs with respiratory issues are not allowed onsite.
3. Exhibitors who knowingly bring a dog that is coughing or have been knowingly exposed to other dogs that have recently been ill and/or coughing will not be invited/approved to be at future shows.
4. No refunds for dogs entered who are unable to show or attend due to coughing, illness, or any other issues; see refund policy.
5. Despite taking precautions, there are risks upon entering shows with other dogs. Upon entering the show and/or show grounds, each exhibitor is responsible for their dog(s) should they be exposed to any contagious illnesses.

Midwest Dog Fanciers, Camp Claircrest, PN Management, Claircrest, and/or 4 Paws 4 Love reserve the right to prohibit any dog or handler from attending or participating in their events. In addition, Midwest Dog Fanciers will not be responsible for the actions of others attending despite their efforts to protect the dogs onsite.

By entering the show, the exhibitor understands the above and agrees to comply.
